Dear Sir:

This Information Disclosure Statement is being filed after the mailing date of the first Office Action on the merits and before the mailing date of a final Office Action or a Notice of Allowance. Please charge the \$180.00 fee to our Deposit Account No. 08-0219.

Applicant hereby brings to the Examiner's attention that the applicant has several co-pending applications that the Examiner may consider relevant. Applicant directs the Examiner to review each of the co-pending applications, prior art cited therein, and any rejections issued in connection with same for any relevance the Examiner may consider. As required under MPEP Sections 609, 901.03, 904, and 2001.06(b), all pending and/or parent applications of the same assignee and/or different inventive entity should also be searched with respect to prior art and double patenting issues. In addition, all prior art in parent applications are to be considered in subsequent applications under MPEP 609.02. Applicant hereby informs the Examiner of the following related, continuation, divisional and/or continuation-in-part applications:
